

Our 2<sup>nd</sup> season Galloway Green Market will be held at the Galloway Municipal Complex, 300 E. Jimmie Leeds Rd. Galloway, NJ 0205, on **Thursday afternoons/evenings from 4-7 pm** as a **split season** market, from **Thursday, June 7<sup>th</sup>, 2018 – Thursday, June 28<sup>th</sup>, 2018** and again from **Thursday, August 16<sup>th</sup> – Thursday, September 13<sup>th</sup>, 2018**.

**Vendors.** Our core vendors are farmers and primary food producers plus select prepared food and artisan vendors. They farm, fish, they grow flowers and horticultural plants; they raise livestock; they keep bees or raise chickens. Artists and artisans such as bakers, producers of preserves, chutneys, or nut butters etc., can apply to be vendors. We are opening our market this year to a select few artisan vendors/crafters (jewelers, potters, etc.) who have juried products.

**Full Season Vendors:**

Accepted vendors must commit to and prepay for our entire split season.

■ **For-profit** vendors: **\$200.00** for one 10X10 space. \*Additional 10X10 space: \$100.00  
\*Discounted fee of **\$180.00** if received by March 16, 2018.

■ **Non-profit** vendors: No cost.

**Pop-Up Vendors:** We will have spaces available for a rotating roster of pop-up vendors who commit to and prepay for 1 or more market dates.

■ **\$25.00** for 1-day pop-up.

**Legal Requirements.** All vendors must be licensed businesses covered by substantial business liability insurance (minimum \$1,000,000) and naming **Galloway Township, Go Green Galloway, Inc.** and **Absecon Green Team** as additional insureds. All foods must be prepared in licensed commercial kitchens (**which can never be your home kitchen**). Food businesses must receive Mobile Vendor licenses from the Atlantic County Board of Health, which will also inspect all vendor kitchens.

If you have a compatible product and can meet the legal requirements, we'd be delighted to consider you for inclusion in the Galloway Green Market. An application is attached; **no fee is required to apply**. We will acknowledge all applications and notify you of the Committee's decision as soon as possible. Good luck and thank you for your interest!

If you have been invited to be a vendor for the 2018 Market you must sign and return:

- The Hold Harmless Agreement
- Proof of your insurance including the page showing Twp. of Galloway, Go Green Galloway, Inc. and Absecon Green Team as additionally covered by the policy.
- If prepared food vendor also provide the Health Certifications and licenses.

***The deadline for receipt of these documents is April 6, 2018.***

## VENDOR INFORMATION AND MARKET STANDARDS

The goals of the Galloway Green Market are to bring fresh and locally grown produce and products made from them to local residents; to support local growers and artisans; and to increase community awareness of sustainability. The Galloway Green Market is operated as a community service by Go Green Galloway, a registered non-profit corporation, in partnership with the Absecon Green Team.

**The Green Market will run as a split season market from June 7, 2018 to June 28, 2018 and again from August 16, 2018 to September 13, 2018.** The market will be held on Thursday afternoons/evenings from 4-7pm (rain or shine). All participants are expected to abide by these Market standards

## VENDOR TYPES AND SERVICES

The Galloway Green Market *is not a venue for reselling produce or products*. There are two categories of vendors:

1. **Agricultural Vendors:** Local farmers that produce and/or grow fruit, vegetables, plants (starts, annuals, perennials, herbs) cut flowers, dairy products, farm raised meat, seafood, and eggs; and value added products such as jams, jellies, salsa, honey, etc. from one or more of the above-referenced items. This list is not intended to be exhaustive. Agricultural products not on this list may be sold with approval of the Green Market Committee. If the vendor also operates as a Community Supported Agriculture (CSA) farm, share pickup at the market is allowed.

2. **Food Vendors:** Food Vendors must take an active part in making/baking the majority of the items they plan to sell. Products sold by food vendors include items for onsite and offsite consumption including baked goods, coffee, refreshments, and value added products such as jams, jellies, salsa, honey, etc. This list is not intended to be exhaustive. Food products not on this list may be sold with approval of the Green Market Committee. Foods must be kept cold and fresh while at the market. Vendors selling prepared foods shall prepare and serve foods in accordance with all applicable Federal, State, and local health regulations. All foods and beverages sold or used in food preparation shall be first quality and conform in all respects to Federal, State and local food and other laws, ordinances and regulations.

There may be additional opportunities for juried craft vendors such as potters, quilters and jewelry artisans, Market entertainment, a Local Galloway Business Spotlight, Community Organizations and Chef/Cooking demonstrations. The number of vendors shall be determined at the sole discretion of the Market.

- **At this time, access to electricity will NOT be provided by the Galloway Green Market.**
- **Vendors must provide their own tents, tables, chairs and approved tent weights!**

**APPLICATION** These requirements are intended to be open and non-restrictive for the purpose of obtaining adequate participation of interested vendors and uniformity in the submission of applications. The Green Market Committee is the sole judge concerning the merits of all applications submitted.

All potential vendors must submit an application. **The deadline for full season vendors is Friday, April 6, 2018.** However, completed applications with all paperwork submitted by **Friday, March 16, 2018** will pay a **discounted season fee of \$180.00.** Pop-up applications are accepted on a rolling basis.

**Requirements:** Upon acceptance, all vendors shall submit **(1) Proof of business liability insurance (minimum \$1,000,000)**, naming Galloway Township and Go Green Galloway, Inc. as additional insureds; **(2) A Hold Harmless Indemnification and Release Form;** **(3) If a prepared food vendor, the requisite health department permits** and required forms; and **(4) the applicable fee, paid in full.** Failure to provide these items shall be cause for rejection of application. The Market Committee may add to the vendor roster at any time as space permits. Vendors are selected at the discretion of the Market Committee. ***All applications will be kept for reference should it be determined that the Market would benefit by the addition of vendors.***

**FEES** There is no application fee. Vendors who are accepted will be contacted and expected to pay the non-refundable season or pop-up fee, as applicable. Fees shall be payable to "Go Green Galloway-Green Market". Standard rate for one 10' x 10' space is \$200.00 for the split season, \$25.00 per day for a pop-up vendor. An additional 10X10 space can be purchased for an additional \$100.00 per full season. There is no fee for **non-profit** vendors. Food vendors are expected to pay any applicable mobile vendor fee to Atlantic County Department of Health. ***The Galloway Green Market operates in rain or shine.*** If a vendor chooses not to show in inclement weather, or if a market day is subsequently canceled due to severe weather, the fee will not be refunded.

**SUSTAINABILITY POLICY:** The Galloway Green Market encourages "eco-friendly" and "reusable" rather than "disposable" materials in the following ways: • The market is "single-use plastic bag-free." **No single-use plastic bags will be permitted at the market. The only exception will be for fish/seafood and meat vendors that package their product on ice.** • **The market discourages the sale or distribution of plastic water bottles, plastic cups, and Styrofoam cups, plates, and take-out containers; plastic utensils (forks, knives, spoons) and plastic straws.** Alternatives include: biodegradable, corn-based utensils, wooden popsicle sticks, recyclable paper utensils and paper and/or bamboo straws. Our collective pursuit of sustainable practices will encourage our customers to develop good habits like using reusable bags, coolers, canteens, and flatware. This inherently reduces waste and minimizes our carbon footprint, giving small changes a chance to make a **BIG** difference!
