**SUSTAINABILITY POLICY:** The Galloway Green Market encourages eco-friendly and reusable rather than “disposable” materials. Specifically, the market is “**single-use plastic bag-free.**” **No single-use plastic bags will be permitted at the market. VENDORS must provide paper or reusable bags if the customer doesn’t bring their own.** Our collective pursuit of sustainable practices will encourage our customers to develop good habits like using reusable bags, coolers, canteens, and flatware. This inherently reduces waste and minimizes our carbon footprint, giving small changes a chance to make a BIG difference!

**TENT WEIGHTS:** Please note if you are using a tent or canopy, tent weights of at least 20 pounds must be in place at all time. This policy is for the safety of everyone at the Market. If you do not have weights, you will not be able to erect a tent or canopy.
