The 2020 Galloway Green Market will run from June 25 through September 3. The market will be held on Thursday afternoons/evenings from 4-7pm at the **Historic Smithville Village Greene** 615 E Moss Mill Road, Smithville NJ 08205 (rain or shine). All participants are expected to abide by the following Market standards:

VENDOR TYPES AND SERVICES

The Galloway Green Market ***is not a venue for reselling produce or products***. There are two categories of vendors:

1. **Agricultural Vendors:** Local farmers that produce and/or grow fruit, vegetables, plants (starts, annuals, perennials, herbs) cut flowers, dairy products, farm raised meat, seafood, and eggs; and value added products such as jams, jellies, salsa, honey, etc. from one or more of the above-referenced items. This list is not intended to be exhaustive. Agricultural products not on this list may be sold with approval of the Green Market Committee. If the vendor also operates as a Community Supported Agriculture (CSA) farm, share pickup at the market is allowed.

2. **Food Vendors:** Food Vendors must take an active part in making/baking the majority of the items they plan to sell. Products sold by food vendors include items for onsite and offsite consumption including baked goods, coffee, refreshments, and value added products such as jams, jellies, salsa, honey, etc. This list is not intended to be exhaustive. Food products not on this list may be sold with approval of the Green Market Committee. **Foods must be kept cold and fresh while at the market.** Vendors selling prepared foods shall prepare and serve foods in accordance with all applicable Federal, State, and local health regulations. All foods and beverages sold or used in food preparation shall be first quality and conform in all respects to Federal, State and local food and other laws, ordinances and regulations.

There are additional opportunities for juried craft vendors, market entertainment, a Local Galloway Business Spotlight, Community Organizations and Chef/Cooking demonstrations. The number of vendors shall be determined at the sole discretion of the Market. **At this time, access to electricity will NOT be provided by the Galloway Green Market. Vendors must provide their own tents, tables, chairs and approved tent weights!**

APPLICATION These requirements are intended to be open and non-restrictive for the purpose of obtaining adequate participation of interested vendors and uniformity in the submission of applications. The Green Market Committee is the sole judge concerning the merits of all applications submitted.

All potential vendors must submit an application. **The deadline for full season vendors is Friday, April 1, 2020.** Pop-up applications are accepted on a rolling basis.

Requirements: Upon acceptance, all vendors shall submit **(1) Proof of business liability insurance (minimum \$1,000,000)** , naming **Village Greene at Smithville LLC.** and **Go Green Galloway, Inc.** as additional insureds; **(2) A Hold Harmless Indemnification and Release Form;** **(3) If a prepared food vendor, the requisite health department permits** and required forms; and **(4) the applicable fee, paid in full.** Failure to provide these items shall be cause for rejection of application. The Market Committee may add to the vendor roster at any time as space permits. Vendors are selected at the discretion of the Market Committee. ***All applications will be kept for reference should it be determined that the Market would benefit by the addition of vendors.***

FEES There is **no** application fee. Accepted vendors will be contacted and expected to pay the non-refundable season or pop-up fee, as applicable. Fees shall be payable online through PayPal. Standard rate for one 10' x 10' space is **\$180.00** for the season or **\$25.00** per day for a pop-up vendor. An additional 10X10 space can be purchased for an additional **\$100.00** per full season. There is no fee for **non-profit** vendors. Food vendors are expected to pay any applicable mobile vendor fee to Atlantic County Department of Health. ***The Galloway Green Market operates in rain or shine.*** If a vendor chooses not to show in inclement weather, or if a market day is subsequently canceled due to severe weather, the fee will not be refunded.

SUSTAINABILITY POLICY: The Galloway Green Market encourages “eco-friendly” and “reusable” rather than “disposable” materials in the following ways: · The market is “single-use plastic bag-free.” **Vendors must provide paper bags if the customer doesn't bring a reusable bag. No single-use plastic bags will be permitted at the market. The only exception will be for fish/seafood and meat vendors that package their product on ice. The market discourages the sale or distribution of plastic water bottles, plastic cups, and Styrofoam cups, plates, and take-out containers; plastic utensils (forks, knives, spoons) and plastic straws..** Our collective pursuit of sustainable practices will encourage our customers to develop good habits like using reusable bags, coolers, canteens, and flatware. This inherently reduces waste and minimizes our carbon footprint, giving small changes a chance to make a **BIG** difference!
